

**BECOME A PARTNER OF
THE SATURDAY MORNING
FRENCH LANGUAGE PROGRAM**

Education Française Greater Houston

Education Française Greater Houston was founded in 2010 by a group of volunteer parents to promote French language education and address the lack of classes available in Greater Houston for native and non-native speakers. EFGH is a Texas 501(c)(3) non-profit organization recognized by the French Ministry of Foreign Affairs, the Agency for French Education Abroad, and the French Consulate in Houston. EFGH is the only Saturday morning French school in the Greater Houston area, running from September until May.

MISSION

To provide high-quality yet affordable French language education programs to children 4 to 18 years old.
To serve as a gathering point for families sharing similar educational and cultural goals.

VISION

We believe that language is at the heart of learning and cultural diversity, key in today's globalized society. Growing up bilingual and multi-cultural helps our students succeed academically and prepare themselves for international careers.

PROGRAMS

Our programs are tailored to each student's ability by certified French teachers. While the core of our program is language instruction, we extend the curriculum to the French culture as well. We are an examination center for the DELF and prepare students for the diploma.

- Every dollar benefits every child at EFGH.*
- Contributions to the Annual Fund are voluntary and tax-deductible.*
- Gifts help keep tuition lower, allowing more families to give their child an education in French.*
- Donations help keep our teacher's salaries competitive.*

"The small classes, the teachers' and assistants' dedication, their human oriented personality, the summer camps and all the events with the family: we feel that we were able to enjoy the best of what the association offers around the French language during our 6 years of life in Houston!
