### FRENCH AS SECOND LANGUAGE

#### **PODCAST - News in slow French:**

A weekly podcast that covers current events at a pace slow enough to understand what's going on in the world.

#### **VIDEO - Learn French with Alexa:**

We no longer present Learn French with Alexa, the favorite teacher of Internet users. Videos of online courses on youtube and activity sheets to complete. You can opt for free lessons on youtube. Alexa covers all levels, from beginner to advanced.

#### **PODCAST - Coffee Break French:**

Coffee Break French is the podcast to subscribe to. It's a very pleasant exchange between a French teacher and Ana, an English student. It's absolutely great to discover the French language in context (order train tickets, book a hotel, order a restaurant, ask directions, learn how to introduce yourself...).

#### **TV SHOWS - FRENCH SERIES OR MOVIES:**

Looking for a fun way to practice your understanding of the French language? Watch French movies! A great selection of family movies is available on the website of the [French Embassy in the US](#). You can also watch French series on [Netflix](#), for example: Call my agent (with lots of French stars), Le Bazar de la charité, The Hookup plan, 10 jours en or, the Bonfire of Destiny...

#### **RADIO ONLINE - RFI Savoirs - Learn French:**

A serious site that offers to learn French by listening to podcasts or watching videos retracing current events in France and around the world. Podcasts and videos are followed by comprehension exercises. This site is rather for intermediate-advanced learners.
