

FRENCH IMMERSION SUMMER CAMP

by Education Française Greater Houston

About us

We are a non-profit organization founded in 2010. We offer French classes to more than 150 students on Saturday mornings.

EFGH is recognized by both the French Ministry of Foreign Affairs & the AEFÉ (Agency For French Education Abroad), as well as the French Consulate in Houston.

A unique summer experience

Your kids will enjoy a variety of themed activities each day! Outdoor games, crafts, story telling, music, cooking classes and much more! All while learning French and French culture.

No French background required!

Because children have a natural inclination to learn another language, our program is a 100% French immersion. * **With 1 counselor for about 8 kids.**

Our summer camp is designed for both native French and non-French speakers.

**Our native speakers counselors give instructions in French.*

For kids 5
to 10
